### **DUNBAR to COCKBURNSPATH**

#### **Barns Ness Lighthouse, 3miles south of Dunbar**

The lighthouse was built in 1901 by the brothers David and Charles Stevenson, cousins of the author Robert Louis Stevenson.

#### **Dunglass Collegiate Church, 1.5miles north of Cockburnspath**

A handsome sandstone church with fine carved stonework. The church was founded by the Home family in the 1440s and dedicated to St Mary. It remained in use until the 1700s. Due to the stone-vaulted roofs, most of the church remains intact.
